

Non-Profit Golf Outings

Non-profits charity golf outings are a great tool for fundraising. Most Charity outings do not reach their full potential when it comes to fundraising because of the time commitment placed on the committee to organize the day-to-day planning of the outing. Let Premier golf outings focus on the planning so the committee can focus on their main objective of raising money.

Corporate Golf Events

Golf is used in almost every business for client relations, employee rewards or as a charity fundraiser. Premier Golf Outings works with business to plan golf outings/business meetings allowing you to focus on your business. We take care of the event management you don't have time for. We work with great golf courses, with executive meeting rooms, dining facilities, great hotels for comfortable stays for the out of town client.

Make your golf outing the Premier event of the year!
